Urs Ringgenberg becomes new CFO of Wincasa

As of 1 January 2025, Urs Ringgenberg will become CFO of Switzerland's leading real estate service provider. The experienced finance and IT expert will take over from Stefan F. Meier and join Wincasa's Executive Board in this role.

"We are delighted that we have been able to appoint Urs Ringgenberg as a new member of the Executive Board and CFO of Wincasa," says Wincasa CEO Oliver Hofmann. The designated CFO is the ideal candidate for this key position: in addition to his proven expertise in finance and controlling processes, he brings with him extensive know-how in the management of IT and transformation projects.

Urs Ringgenberg is a business economist (FH) and holds an EMBA from the University of Mannheim (Germany) and Essec Paris. After holding positions at PwC and Swisscom, he was most recently a member of the Executive Board and CFO at cablex AG. He is 44 years old, married and the father of two children. Urs Ringgenberg will join Wincasa on 1 November 2024 and succeed Stefan F. Meier as CFO and Head of the Finance & Corporate Center from 1 January 2025.

After more than 30 successful years in finance and management roles, Stefan F. Meier has decided to embark on a new chapter in his life. He will remain available to Wincasa as a consultant for ongoing digital transformation projects on a reduced workload until the beginning of May 2025. This will ensure the transfer of expertise. "We would already like to thank Stefan F. Meier for his extraordinary commitment as CFO at Wincasa and his support during the handover process," emphasises Oliver Hofmann.
